Pixingo Pricing Guide

You have so many pix to share. Here are all the ways you can turn them into cards, canvas wraps and posters for those who matter most to you. Pricing is shown in both retail and wholesale.

Greeting Cards

Make every photo mean more. Create a custom card! Pricing on all folded and flat cards includes card, envelope, addressing, and stuffing. Postage is additional.

Pixingo cards are printed with real ink on 110# cardstock, and you can choose a matte or gloss finish. If you're ordering in bulk (25-1,000), you can upgrade to 110# premium pearlescent paper.
